

Monthly, weekly, bi-weekly, one time and cleanouts !

I do cleaning, home remodeling or other... we will serve you the best as we can. I work by myself, so you can see a person who is responsible for the work done

Would you like to spend your weekends and evenings doing what you like to do, instead of scrubbing and vacuuming floors, dusting, polishing furniture, cleaning the bathroom, etc.? Would you like to come home to a sparkling, fresh-smelling, tidy house?

We will clean your house, condominium. We discuss your cleaning priorities with you so we clean your home the way you would like it to be cleaned. Satisfaction guaranteed, and excellent references.
