Needing help in my small construction company .Need some one that knows how to lay vinyl siding and j it out. if you have a helper is ok. i can pay by job or by hr. just need to talk about it. i also have other work lined up. must be respectful and a over all honest person that's fun to work with. must be able to show up on time and communicate if we need to work around your life. ALSO BE ABLE TO WORK UNSUPERVISED AT.
