I am hosting a bachelor party for a friend and we would like some girls who would be willing to play a game that involves drinking and stripping. The game will involve fantasy role-playing (the dice kind) and will last for a couple of hours. You will be expected to be comfortable stripping down to your panties during the course of game play.

THERE WILL BE NO UNINVITED TOUCHING. You will not be expected to dance on anyone or touch them in any way, nor will you be groped or harassed.

The evening pays \$20/hour (bra and panties) or \$25/hour (just panties). Drinks will be provided. You must be 21+ years of age to be considered. Familiarity with RPGs is a bonus, but not required.

If you are interested, send a reply that includes pictures (face and body MUST be shown) and contact information with the subject line: "Bachelor Party!!!". If selected, you will be contacted with party details and game.
