If you are a Framer Concrete Finisher Sheet Metal guy I need you. Maybe u can do all this and that's even better. This is some of the easiest work you will do. Right guys can really do well. I only need guys who can start immediately. We are very far behind and only getting busier. If u can work well with others possibly open to learning new things we need to talk.Â

I will not respond to emails. Call or text me. We are FELONY FRIENDLY. What u did in the past is the past I care about what ur gonna do tomorrow.
