

electrician Cleaner needed (oklahoma city)

Location **Oklahoma**
<https://www.genclassifieds.com/x-632090-z>

I'm looking for an electrician that can run power from my house to my shed. I'm going to need enough to power a t.v. , window ac , lamp. The shed is about 150 ft. away from the house and I would like it to be buried. Email me with a quote for labor and materials. The pictures are.
