"Here to give your place a heavenly shine."

I have over 15 years of cleaning experience. No jobs are to big or to small. Depends on the clients wish and the size of the job the cleaning can be done with one person or as a two person team, I have found that a lot of my clients like the two person team due to that we are in and out in half the time. I do charge \$20 an hour per person. Unlike other cleaning services that have their cleaners pace themselves, that is not how it works with me I believe in doing a excellent job but get in work hard and fast and get out. If you are just looking for a one time clean or a continuous clean I'm at your service. I also do rentals. Refs. upon request. Just Call
