I have a job and will be gone most of the work day. I just need a place to go home to and to store my belongings, preferably within a mile or so of Spring Mill Road and Route 23.

**What I'm asking for:**

- A single bedroom with at least a mattress.
- Access to a full bathroom.
- Access to utilities: water, electricity, wi-fi.
- Respect for my privacy.

**Desired, but not necessary:**

- Access to household appliances: washer, dryer, vacuum cleaner.
- Access to the kitchen and some refrigerator space. I'd like to be able to use the microwave or kitchen stove and cook for myself from time to time.

**What I am offering in return:**

- Rent payments that include utilities.
- Commitment to respect your property, belongings, and fellow residents (including pets).
- Commitment to help maintain the house: vacuuming and cleaning the bedroom that I'd occupy, cleaning the bathroom that I'd use, cleaning in the kitchen if I cook something.
- Respect for your privacy.

I'm a quiet, tidy person and can promise that I will never have any guests. I conserve water and electricity. I do not smoke. If at any time you were to decide that you want to move in, I could move back out for you. I'm not expecting you to have any of respect or privacy. If you have any questions or would like to make a stay, please email me using the address provided on craigslist. I will be happy to meet in person at a public place that is convenient for both of us. I will be happy to meet in person at a public place that is convenient for both of us.
