I need help cleaning an 800 sq. ft. apartment that is being use for short term rental.
You must bring your own cleaning supplies.

Duties include:
vacuuming the floors
cleaning out the refrigerator, stove and appliances
taking out the garbage
taking bedding off the beds and doing the laundry
putting the clean sheets and blankets on the beds
sweeping / vacuuming the carpeted deck
kitchen and bathroom cleaning
vacuuming the two stair ways, including bugs that like to hang out in the corners
straightening up, moving the chairs to vacuum.
mopping kitchen and basement floor by the washer & dryer.
Other things that may need attention - to much to list
