Hello there and thank you for taking the time to read my ad. I am an amateur photographer looking to expand my personal photo collection. I would love to find a mature woman willing to model for me in various poses, outfits, etc. You will be compensated for your time and the photos are only for myself, no one else will see them (unless you want a copy). Please tell me a bit about yourself, your comfort level, and a full body picture (clothed is fine) for.
