

Injured Could you walk on crutches (Wisconsin)

Location **Wisconsin**
<https://www.genclassifieds.com/x-632137-z>

Need people to test a new combination orthopedic cast. No special skills necessary but must be healthy enough to use crutches. Preference given to people with an actual injury, condition, or medical cast, otherwise cast will be applied and crutches provided. Need applicants to participate from a minimum of 3 days to a maximum of 120 days. Participants will earn \$25-\$140 per day up to \$22,000. Qualified candidates should be ages sixteen to forty-five and physically able. Please provide name, age, gender, height, weight, occupation, brief medical history and a contact number. Looking for specific characteristics and demographics. This is not an IRB regulated research project. Can work other jobs while participating. Only responses containing all requested information will be considered. Those not fitting a needed demographic will not be responded to. Also paying \$75 referral fee for control group participants if you know anyone currently wearing a cast or using.
