

Like new Bose cinemate ii home theatre (225 USD)

Location **Wisconsin**
<https://www.genclassifieds.com/x-632253-z>

For sale is a Bose Cinemate ii home theatre systems. Includes acoustic console subwoofer, two satellite speakers, remote, and power cable. System was used sparingly in a smoke free home for under 2 years.

Cinemate ii allows you to connect your TV via an optical jack or L/R RCA input. I used the optical from my tv and RCA from my phone for music.

Great home theatre system for a phenomenal price. Email with.
