good hubs and are great if your swapping out those auto hubs that never work when you need them. The dirtier looking ones are \$80 for the set and on an 86 the cleaner ones are on an 89 and look like they've probably hardly ever been used. the truck their on doesnt seem to ever seen off road. They are \$100 for the set. You need to remove either set off the trucks and both come with the cone washers and.
