Here for your consideration is a real nice 14' closed bow aluminum fishing boat. The boat has a Lund decal on the side but I'm quite sure it's not an original Lund going by the title that says Unpublished Boat. The seats are brand new & made of very sturdy 2" x 12" lumber that has outdoor carpeting glued & stapled to the surface & edges to prevent bunching & wrinkling. The boat also has a carpeted bow for safe entry & exit + it could double as a great fishing platform if the new owner desires. The boat is set up for bow steering with a brand new steering wheel & all the cables & pulleys are in fine shape. Also, underneath the bow there is a securely fastened 12" x 16" x 4' piece of industrial Styrofoam to keep the boat from sinking. I'm sure you could swamp it but it shouldn't go to the bottom.

The trailer is in great shape with 3 real good rims & tires including the spare. It is also equipped with Bearing Buddies for easy maintenance. 2" new ball hitch with a standard flat 4 prong trailer light connection. All the trailers lights work as they should. Please call me if you are interested...Thanks! I have clear titles in hand for both the boat & trailer.
