Well first things first, not in a must or even a need to sell, just haven't road it much in the last 3 years. I think I have things pretty reasonable priced, so this is what I need to sale it, I'll just keep it if price isn't meet or really close to it. Low miles, well maintained, has upgraded clutch roller for the bigger tires, extra set of tires & rims, lots of accessories, including a Warn six foot plow, 2 Helmets, a tri fold aluminum ramp, storage cover, Repair manual CD, Rack accessories, Front, Rear and Fender Bags with more..... Tires are Pitbull Radials, Rockers on the Machine and Growlers as the extra set both with STI wheels I think the pictures speak for.
