These tires were mounted but have virtually zero(0) miles on them. Mickey Thompson Sportsman S/R 24 X 5.00R X 15 Street Radial Tires. I changed the tires because these were too short for my application. The first picture is a stock photo. No wheels are included.

These cost \$341.76 New for the pair and I'm selling this set for \$175.00. Cash only.

If you have a street rod or race car that needs narrow front tires, these are a good choice for those applications at a greatly reduced price.
