This week only!!!

\$80 window cleaning on homes including some 2 levels.

My name is Sonny and I am a professional window cleaner starting my own company called ULTRA CLEAN. I will completely restore your windows to like new standard. I have all tools necessary including ladders, razor blades and scrubbing pads for sensitive Windows. I do not use any chemicals to protect the natural condition and use products like Rain X to insure a long lasting satisfaction regardless of weather. My prices are this low for a limited time while building my clientele. \$80 is a set price for one story and some two story homes. Inside cleaning is available as well for a special price upon assessment. Call or txt anytime!!!

*special applies to 2500sq. Ft or less
