House of Galle is well-versed in all production from photography to editorial spreads, from commercials and film to branding. With both experience and vision, House of Galle dominates in many fields. Creativity is what sets this company apart from the rest. Whether you have a big production or a small business, we are confident we can provide you with an elite presentation.

We can produce and direct your project from initial concept/script to screen, or simply act as a hired gun in whatever freelance capacity you may need my expertise with. We are experienced in making promotional, commercial, corporate, independent film, documentary, sizzle, webisode, infomercial, reality show and music video projects. All projects are filmed and edited to professional industry standards.

Our team is very easy to work with and quickly adapt to the needs of any situation. Allow us to make your next production exceed expectations. We love what we do and look forward to working with you!
