- \$800  
 We are quiet, mature professionals with a variety of hobbies and we're mostly pretty busy/over our own thing. This is not a communal living situation/party house, you are welcome to do your own thing, although we occasionally have dinner to gether. We do not have television/cable (although you are welcome to pay for it add it if others agree), and we are quiet in the evenings since we get up early and have a small (mellow sweet) child. You are welcome to have friends over for dinner, but we need things to settle down by 8-9pm.  
 We are quiet, last year's split utilities come to about \$50 a month, 6 months depending on your situation. No pets, smoking, and we also have a garage at the house to keep things clean.
