Hello,

I'm a female professional looking for room to rent.

Preferably on the east side.

Bellevue, Kirkland, Lynn wood, or Everett.

I drive a really nice car and work for a major company with computers.

I'm very quiet..If I'm not at work I'm at school or sleeping.

I don't party, and If I want to be social I'll go out to the movies with friends.

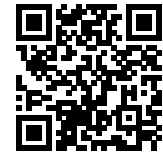

That's pretty much me in a nutshell.

Looking to rent a room with no furniture.

The bigger the room, the more I can pay.

Thanks to

Lisa
