

# Custom Headers and Exhaust (AUBURN)

Location **Washington**  
<https://www.genclassifieds.com/x-632466-z>

30 years experience in custom automotive fabrication and I specialize in stainless headers and exhaust systems.

Show quality design and execution at competitive prices.

Street Rod, Race Car, Off Road, engine swaps....

Mild steel or stainless....

Step-up, equal length, turbo(s), tri-y, removable collector(s), merge collectors, x-pipes..... Etc.

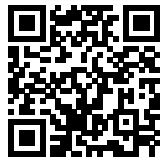

Contact me by email and include some specific's about your project, your time frame and your budget along with any pics that may help me give you a decent guess-timate. I check my email several times a day (M-F) and will respond to serious inquiries.

Thanks.
