

WasherDryer Repair

Location **Washington**
<https://www.genclassifieds.com/x-632467-z>

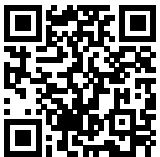

My name is Charlie and I'm the Appliance Guy! I specialize in washing machine and dryer repair, as well as sales and removal of old washers and dryers. I'm a licensed business owner in Olympia.

My rates are very low - most repairs cost around \$50, parts and labor included.

I'm based in Olympia but service Lewis, Mason, Pierce and Thurston counties. Don't hesitate to contact me because you think I'm too far out.

Feel free to call, text or email with any questions or to schedule a repair. I'm usually able to do the job same day or within a day!

Thanks a!
