MISSING!!! Please help!!! Share this photo of our precious Teddy. He didn't come home Saturday night (8/8/15). We are very worried about him. He is dark gray in color, has a slight shaved look (his spring shave is growing out), and he has double paws on his front paws. No collar on him beacuse he always found a way to get them off. Please let me know if you ahve seen him and know of his where abouts. Last seen in Foster, RI off rt 94 (MT. Hygeia Road. on 8/8/2015.

Thank you for your help!!!
