Vanna Bio:
Hey everyone -- I'm Vanna!
When I first got to the shelter I was a bit shy, but now they call me a rockstar! I'm the "social greeter" in doggie play groups because I love to play with all dogs so when new dogs join us they like to introduce me first. How cool is that! I sit for treats, take them gently and love to play fetch. I'll bring the ball right back and drop it at your feet for another throw. When I get pooped, I like to lay down froggy style, and if someone is around I roll over on my back and hope to get a belly rub. The humans usually laugh at me but I always get my belly rubbed! (I've got them well trained, don't I?). I have a lot of energy so I'm looking for a home where I'll get good exercise every day. I also love to kiss and snuggle so you get the best of everything with me. Come meet me today, because as much as I'm well taken care of here, I know that nothing beats a real forever home. I can't wait to meet you!

uncomfortable, which may be because she's recently been a mom. She's low-key and calm and is gently

that lucky wheel today. Who it be you?
