This Birdcage was created sometime in the 1800's, beautifully hand made and extremely ornate it could be used either as a Cage or as a serious piece of Art work for a decorator. It is one solid piece of wrought iron that has been welded into beautiful Celtic designs and stands almost 4ft tall with a dome top. It Has two built in swings and two sliding doors. I have personally seen these Antique cages sell for upwards of \$1,200 in Antique/Design stores. Asking \$400,
