Catalina Macaw for Rehoming. We have well around 2 Grand into him with his setup. He is handfed, He has been DNA tested as a Male, and speaks very well. Also does tricks. Love's all the attention he can get and has been very spoiled. Could make a good pet or breeder. Talks very well and does tricks. Loves women..! But will get along with everyone, he is very socialized. Rehoming Fee of \$1000 obo for him applies, Handfed Catalina Chicks start around \$1,500 and that's what we paid. We also can sell his cage if needed! Trades for Equal Value large parrots/pairs or family puppy "preff hypoallergenic" would be seriously considered. Thanks!
