

Photo and Video Services

Location **Vermont** https://www.genclassifieds.com/x-632641-z

I am a New Hampshire based professional photographer, videographer, editor, and designer looking for clients in and around the greater New England area.

My areas of focus include landscape, architecture, real estate, portraits, pets, vacation, family, sports, events, small business and marketing, as well as both photo and video editing. I am constantly trying to develop and expand my skills as a photographer, videographer, and editor, as well as my portfolio.

Please visit my website at: www.sampricephoto.com

Please visit my 500px profile to see some of my additional photography work: https://500px.com/Sam_Price

Please visit my Vimeo account to see some of my video work: https://vimeo.com/user6090759

I provide both photography and videography services, as well as the editing of pictures and video. I am very flexible and determined to meet my clients' needs to the best of my ability. I thoroughly enjoy working with clients to produce work that both the client and myself are satisfied with. I'm flexible in all aspects of what I do.

I'm currently seeking new clients around the New England area (NH, VT, ME, MA, RI, CT).

I am willing to take on just about any job and my rates are very flexible depending on what your personal needs and time frame are. Please contact me with any questions regarding my work, rates, equipment, availability, etc.

I look forward to working for!
