I need someone Monday through Thursday to care for my two Aussies from 6:45 am to 4:45 pm. You need to live between my house and where I work so I can drop them off and pick them up. I live just east of College Drive off Dell Range Blvd. and I work off of Campstool Road. My older dog is not kid friendly and not friendly with other pets if inside the house (he's jealous and fine with my other dog) but is fine when he's outside with them. This is good for someone who is retired and would love to have the company of my two dogs. I can't pay much if anything, I'm single and struggling. References required. Thank
