I'm looking for an actor (be able pass as early to mid thirties) and actress for the day of sunday 8/30 in Fort Atkinson, WI. We will be shooting in an office location and a motel location. The actor is a man heavily into debt and his life is falling apart. He will die a bloody death at some point. The actress will be playing a couple roles. One is a background actor in the office. The other is a speaking role as the woman next door at the motel. I want to start shooting at 12 noon and hopefully be completely done by 5. It's a no budget personal project so I can't pay anything but food and probably some gas money for folks that drive. couple people could ride with me. Send me an email if interested. My name is.
