Teachers,

I currently provide care to match your school schedule. I have two openings for infants/toddlers. I have everything your child will need while in my care with the exception of formula, diapers & wipes.

I have a charming, 3 bedroom ranch home in a quiet, low traffic subdivision near the airport. My home is completely smoke & pet FREE and very clean. My entire back yard is also fenced in. I have two kids of my own, so my house is baby proof and safe for kids of all ages.

I offer affordable rates, and my rates include: Breakfast, Morning Snack, Lunch, Afternoon Snack, and all Drinks available through-out the day. I also include a folder & crayons for toddlers to bring home their artwork each week.

We spend endless amounts of time outside (weather permitting) and enjoy taking walks to nearby parks. We have story-time in the morning, and learning (colors, shapes, numbers ect) in the afternoon. During the winter/rainy months we do have movie & popcorn days!

Contact me for more information, rates or to schedule a time to!
