

Pacific 32 SeaSport (125000 USD)

Location **Washington**
<https://www.genclassifieds.com/x-632866-z>

This is a must sell boat. She is loaded with all of the comforts of home. Twin diesel engines have just had over \$50K put into them. There is too much to list here. Serious buyers can call direct or cell#

This is a 2000 with twin Volvo KAD44. V-drive (no outdrives, straight shafts) I had the Seattle Volvo dealer replace turbos, new starters, re-built the transmissions, new oil coolers, radiators re-built, new water coolers, new turbo elbows, new bilge pumps (4), new pistons and rings on star board motor, completely redo electrical for proper charging, new batteries, new impellers. Basically everything I could think of in the engine compartment. I had this done because we took this boat to SE Alaska to fish for two summers.

Full electronic package, down riggers, pot puller, raft etc.

This is a perfect Puget Sound!
