Small local cleaning company seeking hard working dependable cleaners for part time work. It's mainly move out cleanings, there are a few residential houses that are done bi-weekly. Move out cleanings are very labor intensive and there's a lot of deep cleaning involved. Sometimes including moving fridge, washing machine, dryer, etc. to clean under them. Main places of work are Midlothian, and Prince George.

**Must have drivers license, and own transportation.
When replying please let me know if you have any previous experience in this (If you don't it's not an issue). Also please tell me a little about you and why I should choose you for the.
