I am in need of an investor of \$6000-40000. I am trying to buy an established sandwich shop here in Casper. I don't quite have enough liquid assets to do so at the time and I do not want to let this opportunity slip past. We plan on expanding upon the sandwich shop theme. My business partner and I have a combined 34 years in the food service industry. Last restaurant we managed was Johnny j's diner on second street for 5 years. Once I find a prime location and a serious investor then we can begin our work. Serious inquires only.
