

# moving to Portland SLC to PDX (SLC)

Location **Utah**  
<https://www.genclassifieds.com/x-632949-z>

I still need to move some stuff from SLC to Portland.  
 Are you moving? I can share gas if you have any room for any of my belongings.

Couch, bed, armoire, bookshelf  
 Any of the items are a good start.

Thanks in advance for reaching out.
