Right now I have openings in my home daycare! I am a mother of 2, I have had childcare experience 15+ years. That includes being a nanny and working at daycare centers. I currently have openings for children ages 2 and older. So if you don't want the "daycare center" setting and want your children to feel at home, this is the place! My home is CLEAN and safe with a fenced in back yard. Your daily rate depends on the age of your child and it includes breakfast, lunch and snacks. We also do preschool Monday through Thursday in the morning and lots of play time before and after preschool. Hours of operation, I close at 6 p.m. and work with your morning schedule as early as need be. Elementary school in my boundary is Ridgecrest and Jr High is Butler.
