Home needed for 9 year old German Shepherd. Found wonderful home for him when I lost my job and got evicted but recieved a call last night saying he was taking him to the pound at the end of the week if I could not take him back or find a place for him. I am starting a new job and am looking for a room to rent where i can take him back but need a back up plan as it is hard to find a place to live that will allow. .
