Hello my name is Paul and I have been involved in Mercedes Benz repair my entire adult life. I am German/Swiss with many, many, years of hands on experience. I was trained by the Mercedes Benz factory and have years of dealership, hands on experience. I am the winner of several Mercedes Benz Star Awards for service excellence. Please allow me the chance to show you what superior knowledge, experience, and training can do to improve your Mercedes Ownership Experience. I can offer you on site repairs where I come to you as well as having your Benz brought to the shop. I can promise you a proper fix every time, it is what I was born to do!! Please feel free to call me at 623 418 6011

Thank you!!
Paul
