Hello my name is Seyda Roselli, I am 21 years old. I was born and raised in Germany and came in 2013 to the US as an Au Pair. I lived with a wonderful family for 1 year and took care of their 4 children (Ages 0, 2, 5, 6). Before I came here I also took care of children in Germany. Now I live in Glendale with my husband and I am looking for a family with lovely children to work for.

I don't have a car yet so it would be great if I could someone close to where I live so I can walk over :)

I would work for \$12/hour.

I am very good with kids, I can teach them some german, and I am also newborn certified, since my Hostfamily last year had a newborn. I still have my references from Germany if you like to look at those and I have my certification from my Au Pair year.

I can't wait to meet you!

Thank
