

Friday amp Saturday Night Babysitter ((PhxScottsdaleArcadia))

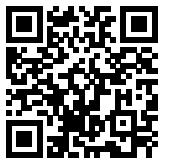

Location **Arizona**
<https://www.genclassifieds.com/x-633101-z>

My name is Veronica, and i am here for you on that Friday/Saturday night date night, evening work event or what have you. I am a very reliable and responsible young lady who loves kids. I used to volunteer at a day care facility working with ages infant through 12 and then later became an after school director heading the after school program at The Sycamore School until it closed down. I did everything from managing field trips, implementing curriculum, and best of all, having fun! I currently work in health care administration and miss working with children. I can cook, play games, come up with go-to crafts, and love to read bed time stories. I have no problem with light house work while your out, so feel free to leave the dishes, ill take care of it =D

If you are interested in hiring me as your Friday/Saturday night babysitter, please contact me via email for more info. Thank.
