Looking to start a new band for drummer & bass for an intense dessert rock type sound. We have keys, guitar male and female vocals. Early to mid thirties ..looking for people that want to get tight and do a couple to a few shows a month. Weekends only for shows. No bullshit or pay to play garbage. But need solid creative chill people to work with and practice once or twice a week. West valley would be easy Text if interested
Influences: TOOL, Radiohead, Nirvana, The Dead Weather, Godsmack, Manson, Alice in Chains, Soundgarden, Korn, A Perfect Circle, NIN,
