Its time to look for a new project. I'm a strong guitar player, rhythm/lead/acoustic/electric or bass/upright/electric. I lead sing way over 4 hours of music, or enjoy great 3 part harmony. Prefer 50's, 60's, 70's rock, country, folk, pop, or ??? Interested in money making opportunities with PRO players only. I do have other irons in the fire and connections for paid gigs.

I'm a full time musician, always looking for new buds to make great music and a few bucks. Have website, videos and more on.
