2005 chevy silverado extra cab 4 door (4900 USD)

Location Georgia https://www.genclassifieds.com/x-633134-z

Selling a 2005 chevy silverado great running truck has 286000 miles. Don't let the miles fool you. This truck runs great and drives tight. 5.3 motor. Just put new front pads and turned rotors. Fresh oil change. Cold air and hot heat. Would make great work truck or just a good dependable truck /transportation was my daily driver but no longer need. If interested contact Paul @
