We bought a beautiful Siamese male kitten, on a whim, while visiting Nashville 2 months ago. We bought him for \$400 from a reputable breeder, and have receipt. He is 17 weeks old now, and is up to date on every shot, including rabies and is on Revolution. He is 100% clean, pampered, and has never been outside. Didn't neuter him yet. Waiting until he was 5-6 months old. I have all his paperwork showing everything. He'll come with his food dish, his litter box, and his toy he loves. We are on the run too much, and I hate leaving him all the time. We'd like to see if we could find him a very nice home. He is a great kitten with a personality anybody could love. He LOVES attention! Asking a \$150 rehoming fee for him. Thanks for.
