Very Cute and Very Sweet Puppy. He is a very small dog. He is very loving and very timid. He is a little lap dog. We have a 3yr old and the dog plays very well with him. We got him from the Humane Society of Northeast Georgia. We paid \$300 for him. We love him very much, but our situation has changed.

We would like to get back the \$300 we paid for him. We will include his crate, food bowl, toys, puppy pads, food and treats. We will also give you all of his paperwork. His name is Winston. He weights about 4lbs. He was born on 4/1/2015. He is a wire hair terrier mix.
