We're looking to work with musicians over the internet remotely. We're able to provide drums, bass, guitar and keys. My partner is able to do Pianos/organs/strings/horns/Etc. I can also provide mixing and mastering services.

Our pricing is Reasonable between 15 and 50 dollars for most parts played. It depends on how many parts per song. For Mastering / Mixing I work for as little as \$15 per track. For large albums I offer reasonable bids. Drop me an email. Below is more information on a small page -
