

# Large cat tree for sale 80 OBO (80 USD)

Location **Alabama**

Large cat tree( 6 feet) I bought it for my kitty but she has no interest in it at all. There is one little spot that she used her claws on but it is a very easy fix. Original price was \$275 from petco so I believe \$80 is a very reasonable price. I am willing to meet for pick up, email me if:)
