Sweet mix puppies (Lincoln, AR)

Location **Arkansas** https://www.genclassifieds.com/x-633522-z

Hello! I have some very affectionate puppies that need new homes! They were born June 22nd so exactly 7weeks old! They are very good with kids and have grown up around other dogs and cats. They are a mixed breed the mom is a small/medium dog so I don't believe the puppies will get very big unless the dad was huge! :) The two black ones are boys and the little white one is the little princess! ;) Please text me for more information and/or pictures!

They haven't had shots. Can meet in Fayetteville depending on my schedule. There IS a \$10 rehoming fee to insure they are adopted into a loving home. Thank you and God!
