

D and R Trucking, Dump Truck Service (ANC to Valley)

Location **Alaska**
<https://www.genclassifieds.com/x-633537-z>

D and R Trucking offers professional dump truck service.

We haul gravel, D-1, landscaping rocks, boulders, quarry cut stone, pavers, top soil, sand, and mulch.

We can haul 5 yards or smaller per delivery.

Our service isn't as expensive due to the smaller size of our 1 Ton dump trucks, compared to expensive delivery cost of CDL required side dumps and heavy dump trucks.

Cost of material is added per yard and is different for each type of material requested.
