University Photo specializes in Bid Day Photography and are looking for photographers in your area! University Photo offers a great opportunity to earn extra income, work with great people photographing events, and meeting local photographers.

Applicants will be asked to go to an on-site training at the event. We are hiring a photographer for this event on August 22nd.

You must have great communication, teamwork and organizational skills and a strong interest in photography. A professional appearance is required for all events. The ability to stand for four hours at a time is a necessity as well as having a car/reliable transportation.

Prior DSLR experience is needed by all candidates, but must be willing to learn our techniques and settings. Previous portrait/composite experience a plus.

The pay is \$60 an event, and each event is approx. 4 hours; events typically last from 8:30AM to 12:30PM.

Applicants must submit an on-line application to be interviewed by telephone. Please apply online at www.epghire.com and click the "University Photo Photographer".
