A new docu-series tv project from the creators of Catfish: The TV Show is looking to help anyone ready to let go of a secret once and for all!

If someone you know is harboring a big secret, you deserve to know the truth. Solid relationships are based in truth and honesty, and we want to help you move towards an open and honest future. Do you need to tell your family of your furry lifestyle?

If you are 18 or older and ready to release the weight of your deception, we want to help. Please send an email with a description of your secret, along with your name, location, phone number and photo of yourself.
