Hello,

We are relocating due to a change in careers. family of 4 are trying to find a 3 -4 bd Home with some acreage for our horses. We also have dogs that are part of our family.

Our children love to do rodeo events and 4-H.

We're needing a home soon, due to work.

We can only owner finance or rent to own at this time.. Our property is under contract to sell so as soon as we sale, we will have a good down payment to purchase.

We are a Christian family and we know God will lead us in the right direction. if you know of anyone that could help us find our new home please call, text, or email.
